

## Tyson® 100% All Natural Chicken Nuggets

### Facts and Background

Recommended by health care professionals as a top pick for picky eaters, *Tyson® 100% All Natural Chicken Nuggets* are protein-packed, minimally processed and contain no artificial ingredients, preservatives or fillers. They're crispy on the outside and tender and juicy on the inside. Parents will love them because they're wholesome and build a great foundation for balanced eating habits; kids will love them because they're simply delicious.

### PRODUCT FEATURES

- **FUNDamental Finger Food**—In a recent survey, nearly 70 percent of registered dietitians surveyed said they would recommend a finger food protein source like *Tyson® 100% All Natural Chicken Nuggets* because they contain no artificial ingredients, preservatives or fillers.\*
- **Great Taste**—*Tyson® 100% All Natural Chicken Nuggets* offer a familiar, delicious taste that kids love and parents can feel good about serving.
- **Easy to Prepare**—Hot from the oven or microwave, *Tyson® 100% All Natural Chicken Nuggets* are ready in minutes with a re-sealable package to ensure freshness.
